Wireless Bluetooth Speaker Tronsmart Bang Mini (black)

Wireless Bluetooth Speaker Tronsmart Bang Mini (black)

Elevate your next party with the Tronsmart Bang Mini wireless speaker featuring vibrant LED lighting. Experience impressive sound quality with up to 50 W of power. This speaker boasts a battery life of up to 15 hours and supports Bluetooth 5.3 for fast and stable transmission. It's also equipped with IPX6 water resistance and a portable design, making it perfect for outdoor gatherings, beach trips, or outings with friends.

Discover a New Sound Dimension

What makes the Tronsmart Bang Mini sound so exceptional? With 2 low-frequency speakers, 2 high-frequency speakers, and mid-frequency speakers, along with 3 passive radiators, this device delivers a powerful 50 W of audio. It also utilizes advanced SoundPulse technology for dynamic sound and deep bass. Want an even better experience? Pair two Bang Mini speakers for fantastic stereo sound!

Dynamic Illumination

Planning a barbecue or a house party? The Bang Mini speaker sets the mood with its high-quality sound and colorful LED lighting, giving it a unique character. Switch between different lighting styles to match the atmosphere. Smooth color transitions or pulsating lights? The choice is yours!

Up to 15 Hours of Playback

Dance the night away without worrying about the battery life. The efficient 4000 mAh battery allows the Bang Mini to play music for up to 13 hours with LED lighting on or up to 15 hours with it off. Charging the speaker is quick, taking around 4 hours. Additionally, the product can function as a power bank, allowing you to charge your phone on the go.

Always Within Reach

Planning a vacation or visiting friends? Take the Bang Mini speaker with you! It's incredibly lightweight and portable, weighing just over 2 kg, and it features a convenient handle for easy carrying. Its IPX6 water resistance ensures you can use it at the beach, by the river, or at the pool without worries about splashes.

Reliable Connectivity

Free yourself from cables and enjoy true freedom. With Bluetooth 5.3 technology, the speaker offers a reliable wireless range of up to 15 meters. Say goodbye to delays, interference, and signal issues! Furthermore, the Bang Mini model also supports smooth NFC pairing.
