

Wireless charger Budi Dual USB 30W

Wireless charger Budi Dual USB 30W

Ref: 6971536927953

Wireless charger Budi Dual USB 30W

Budi wireless charger will come in handy for you at home and while traveling. It is equipped with 3 ports (2x USB-C, 1x USB-A) and supports wireless charging, allowing you to charge up to 4 devices simultaneously. It stands out for its impressive performance and ensures safe use. In addition, the included adapters allow it to be used in most countries around the world.

Fast charging of multiple devices

Don't wait too long until the devices you need are ready to use. The charger supports PD 30W and QC 3.0 18W fast charging, so you can charge your smartphone, tablet or Bluetooth speaker in no time. The product also allows you to charge selected devices wirelessly (MagSafe compatibility), providing up to 15 W of power.

Phone stand

This practical charger will also prove useful as a stand for MagSafe-compatible phones. So you can comfortably watch a movie, take part in a video conference or take notes! You also have the ability to freely rotate your smartphone 360° - you can easily position it vertically or horizontally, for example, ensuring an optimal viewing angle.

Will work well while traveling

Going abroad? Take the charger with you and enjoy convenient charging of your devices outside your home as well! The product is equipped with a foldable US plug, and the kit additionally comes with UK, EU and AU adapters. This makes it great for use almost anywhere in the world!
