

2 dome lenses set PolarPro FiftyFifty for GoPro Hero 9 / 10

Ref: 817465026571

2 dome lenses set PolarPro FiftyFifty for GoPro Hero 9 / 10

Set of 2 PolarPro FiftyFifty dome lenses

The PolarPro FiftyFifty dome lenses fit the FiftyFifty filter for GoPro HERO 9 / 10 Black cameras to create amazing shots above and below the water. The enhanced lenses are easily detachable, and you'll enjoy perfect image quality thanks to the highest quality optics. They provide up to 30% wider field of view when diving in shallow areas.

Convenient mounting and removal

Forget about having to take out tools every time you want to detach a lens, such as for replacement or cleaning. PolarPro FiftyFifty provides quick and easy removal. Never miss an opportunity to take a great shot again!

Superior image quality

The FiftyFifty offers quality that will delight you. This is made possible by the high-end optics designed specifically for PolarPro. The images made with the lenses will surprise you with amazing sharpness. Your shots can be cleaner and clearer than ever before.
