

Speakers SVEN 300 USB (black)

Speakers SVEN 300 USB (black)

Ref: 6438162016142

SVEN 300 USB Speakers (black).

SVEN 300 USB Speakers (Black) are an excellent choice for those who appreciate practicality and interesting visual effects. Both speakers are equipped with RGB backlighting for a unique visual experience, creating a colorful atmosphere for evening relaxation in a cozy room. Volume control is done via a controller on the cable. The device is powered via a USB cable for convenient operation.

Output power

An important feature of these speakers is their impressive output power. With a total RMS power of 6W (2 x 3W), the SVEN 300 USB speakers can fill a space with exceptional sound, regardless of the genre of music being played. The two speakers work perfectly together to create a harmonious sound that delivers a pleasant listening experience. There is a knob on the back of one of the speakers so you can comfortably change the volume to your preference.

Easy-to-clean materials

The speakers have a housing made of durable plastic, which not only ensures the sturdiness of the construction, but also fits in with the modern design. Their black finish adds elegance and harmonizes with a variety of interior designs. Thanks to their minimalist design, the speakers are easy to clean - you can easily remove dust or dirt from them.

Frequency range

The frequency range of SVEN 255 USB speakers is from 100 to 20,000 Hz. This means you can hear many subtle nuances in your favorite music - from deep bass to bright treble tones. This wide range of frequencies allows you to experience sounds in a way that approximates their authenticity, creating a more complete and diverse listening experience.

Compact dimensions

The speakers are compact in size, making it easy to find a place for them on a desk, shelf or in another room. With USB/DC 5V connectivity, you can connect them to your computer, laptop or other devices for convenient use. The device measures 76 x 150 x 115 mm, and the total weight is 460 g.

Joy of use

To use SVEN 255 USB speakers is not only to discover excellent sound quality, but also to gain aesthetic design and functionality. Whether you prefer to game, listen to music or watch TV series, these speakers are sure to meet your expectations. They will let you enjoy your favorite music in the highest quality, providing not only sound, but also enjoyment.
