XO Smart Bluetooth Car Charger BCC11 MP3 + 5V3.1A (Black)

XO-BCC11 is a multifunctional car charger with 2 USB-A ports and one USB-C port, capable of reading music files from flash drives. It features fast charging, supports connections, and transmits FM to the radio. Thanks to the applied technology, the temperature of the device is maintained at the lowest possible level. For your safety, there are also 6 additional protections, including against overvoltage, excessive voltage, overload, short circuit, and more. With the call handling feature, you can answer, reject, and redial using just one button.
