

Cable USB 2.0 A to B Vention COQBD 2m (black)

Ref: 6922794748576

Cable USB 2.0 A to B Vention COQBD 2m (black)

Vention COQBF 2m USB 2.0 A to B cable (black).

The Vention COQBF 2m USB 2.0 A to B cable in black is an indispensable accessory for connecting printers, fax machines, scanners and multifunction machines to your computer. Made of durable materials, the cable is resistant to bending for longer life and trouble-free use. In addition, the cable offers a data transfer speed of up to 480Mbps and a current rating of 2A, which guarantees efficient and stable communication between devices. The lifespan of the cable is 3,000 plugs in and out, which proves its robustness and durability.

The Vention brand is known for producing high-quality computer accessories, and the COQBF model is no exception. The black color makes the cable elegant and versatile, matching most equipment. The 2-meter length allows for flexible positioning of devices in the workspace. The cable is compatible with the USB-A/USB-B interface, allowing easy connection to different types of devices. The reliability and functionality of the Vention COQBF cable make it a great choice for anyone looking for a solid printer cable.
