USB Cable 4 in 1 USB 2.0 Vention CTTLLH 2m (Black)

Vention CTTLLH is a USB cable that features 3 different connectors - 2 USB-C connectors, one USB-A, and one micro-USB. Say goodbye to carrying several cables with you or losing adapters! With CTTLLH, you have the most essential connectors at hand. The USB-A and micro USB adapters are attached to both cable plugs, so you will never lose them or have to search for them everywhere. The cable parts are made of anti-corrosive aluminum alloy, and throughout its length, it is covered with a cotton sheath to reinforce its structure. The cable ends are encased to prevent it from breaking. It also supports fast charging up to 100W.
