HiFuture ColorBuds 2 in-ear earbuds (black)

The ColorBuds 2 in-ear earbuds guarantee top-notch sound quality, offer innovative HiFuture Soft Bass technology for powerful and deep sound, and allow you to communicate freely. They also use Bluetooth 5.3, which translates into a reliable connection. Touch panels make their operation convenient and intuitive. They also support Two Master technology, which allows you to use only one or both earbuds at once, giving you full flexibility. The equipment is IPX5 waterproof, and is extremely comfortable to use thanks to its lightweight, ergonomic design.

Delightful bass

If you appreciate low tones in music, the ColorBuds 2 model is the perfect choice for you. With technologically enhanced bass, the earbuds guarantee a full and balanced sound. Whether you're listening to energetic hip-hop, relaxing classical music or rock tracks, with HiFuture you can enjoy high-end sound - and regardless of the volume level!

Ideal for phone calls

The ColorBuds 2 offers a microphone that accurately captures your voice, allowing you to communicate freely with loved ones. Plus, thanks to advanced noise cancellation technology, your conversations will be exceptionally clear and understandable, even in noisy places.

Stable wireless connection

Enjoy a stable signal as soon as you take the earbuds out of the case thanks to Bluetooth 5.3. Forget about complicated pairing procedures - the ColorBuds 2 earbuds are ready to go in no time!

Intuitive operation

Discover the fluidity of control with ColorBuds 2. To pause or resume playback or answer an incoming phone call, all you have to do is tap the corresponding handset. No more need to reach for your smartphone. Experience how convenient it is.

Powerful battery

Thanks to the ColorBuds 2 earbuds' powerful battery, you can listen to music for up to 5 hours, and the included charging case allows you to extend this time for an additional 15 hours. You don't have to worry about having to recharge frequently, so you can focus on what you really enjoy - your favorite music.

Thoughtful design

The ergonomic design of the HiFuture earbuds makes them fit perfectly in the ear, providing unparalleled comfort, even during prolonged use. The ColorBuds 2 are also distinguished by their IPX5 water resistance rating - so you can easily take them with you on a workout or a walk on a rainy day.
