Mechanical Gaming Keyboard Havit KB884L white

Ref: 6939119075767

### Havit KB884L Mechanical Gaming Keyboard (White)

Prepare for high-level gameplay with the Havit KB884L! This keyboard features 83 keys known for their exceptionally long lifespan. The roll-over function allows simultaneous key presses, providing even greater precision during gameplay. A small display will provide you with essential information about the device's status, and the compact design with RGB backlighting will impress many gaming enthusiasts.

### Precise Action, Incredible Performance

The keyboard is equipped with 83 keys with a lifespan of up to 50 million clicks, ready for long hours of intense gaming. Precise mechanical switches ensure lightning-fast and accurate movements, with keys responding instantly to your commands. The roll-over feature, allowing simultaneous key presses, will boost your productivity during work or while playing your favorite games.

### Information at Your Fingertips

The Havit KB884L features a built-in 1.06-inch TFT-LCD display, providing complete control over the device's status. With it, you can quickly check the currently selected color, lighting effect, brightness, volume, and language. Now, all the information you need is at your fingertips - just take a look at the screen.

### Designed for Various Needs

The construction of the Havit KB884L keyboard is designed to reduce noise during intensive use while increasing comfort. With macro programming, you can customize the keys to your individual needs and gaming style, leading to even more efficient gameplay. Furthermore, the keyboard allows for quick switch replacement, allowing you to further personalize its performance.

### Even Greater Immersion

Now, every gaming session will be full of colors and unforgettable experiences. The keyboard is equipped with colorful RGB backlighting that you can easily customize to your preferences. With the ability to configure lighting effects, you can create a unique atmosphere during every game! Moreover, the compact design means that the Havit KB884L won't take up much space on your desk.
