Dudao X14PROT wired in-ear headphones (white)

Enhance your music listening experience with our state-of-the-art Dudao in-ear headphones. They excel in Hi-Fi audio level sound, and what's more, they exhibit a wide frequency range. What's more, thanks to their well-thought-out design, they will be comfortable to use even during long journeys.

Crystal sound quality

Taste music like never before with the Dudao X14PROT dock headphones. The 14.2mm speaker offers remarkable frequency response from 20 Hz to 20 kHz. You'll hear every nuance and detail in your favorite tunes, whether it's deep bass or higher notes.

Hassle-free compatibility

Get rid of compatibility problems. With an independent decoding chip, the headphones are highly compatible and work seamlessly with 99% of mobile devices. With Dudao, you can enjoy almost unlimited freedom!

Comfortable and Durable

The ergonomic design provides a comfortable fit, allowing you to wear the headphones for extended periods of time without feeling uncomfortable. The 1.2-meter TPE material cable is not only durable, but also tangle-resistant, making them ideal for use on the go.

Starting today, you can always have them with you and enjoy your favorite music wherever you are.

Easy control

With a built-in call and volume control button, you have full control at your fingertips. Effortlessly adjust the volume, pause or start music playback, and even answer calls. You don't have to pull out your phone every time anymore - these headphones give you convenient control.
