Ref: 6932112104069

Mains charger Choetech Q5004 EU USB-C, 20W (black)

Mains Charger Choetech USB-C, 20W (Black)

The Choetech network charger is equipped with a USB-C port, making it compatible with most devices. It supports PD/QC3.0 fast charging protocols, allowing for quick device energy renewal. A range of protections ensures safe usage, and its compact design facilitates storage.

Fast Charging

Choetech Q5004 offers 3 times faster device charging than other chargers. As a result, it will renew 60% of iPhone 12's energy in 30 minutes. Moreover, it is compatible with iPhone 11, iPhone XS Max, iPad Pro 10.5", Galaxy S20/ S10, Google Pixel 3a XL/3a/3 XL/2 XL/2/XL, LG G7, AirPods, Nintendo Switch, and many more.

Compact and Safe

The product stands out with its lightweight and compact design, making its storage and transport no trouble for you. You can easily store it in a backpack or a purse. Moreover, it features overheat and overcharge protection. Additionally, it is made from fire-resistant material, so you can use it safely.
