360° Outdoor Wi-Fi Camera IMOU Cruiser SE+ 4MP

Ref: 6971927236886

IMOU Cruiser SE+ 4MP Wi-Fi outdoor PTZ camera

The Cruiser SE PTZ camera from Imou is an advanced surveillance tool that features a 1/3" 4 Megapixel Progressive CMOS camera, 3.6mm fixed focal length, IP66 protection or 16x digital zoom. With its neat, minimalist design, it will fit perfectly into any environment. When the camera detects unusual sound or human presence, it sends alerts to your phone. In addition, with the function of following moving objects and Intelligent Color Night Mode, it won't miss an event, and you'll be better able to see what's going on.

Technology at the Highest Level

It uses H.265 video compression, which allows you to save footage in a smaller format and relieve the network. You can use SD cards of various capacities, from 64GB to 256GB, which are enough for 4 to 16 days of recording. Alternatively, you can use DVRs with long-term recording capabilities and support for multiple cameras, or cloud recording.

Excellent Connectivity and Image Quality

The camera works with Wi-Fi: IEEE802.11b/g/n and is equipped with dual antennas, providing a strong network signal with a range of up to 100m in open spaces. The 4MP(2560 x 1440) resolution image and infrared recording capability ensure clear images regardless of conditions.

Ergonomics and Specifications

The device weighs only 395g and has compact dimensions (120.7 x 136.2 x 183.3mm). The operating temperature ranges from -20 to +50 degrees Celsius, making the camera resistant to various weather conditions. A built-in microphone and speaker enable two-way audio, and the camera's field of view is as much as 79°(H), 44°(V), 94°(D), with 16x digital zoom capability. An iOS and Android app is available, and protection meets the IP66 standard. With Cruiser SE + 4MP from Imou, you are assured that your home, office or property is under constant smart protection.
