

Outdoor Wi-Fi Camera IMOU Bullet 2 1080p

Outdoor Wi-Fi Camera IMOU Bullet 2 1080p

Ref: 6939554943249

IMOU Bullet 2 1080p Wi-Fi outdoor camera

The camera records in 2 MP resolution and is equipped with a 2.8 mm lens. It offers several modes of operation, so you can customize the device to your needs. It effectively detects moving objects and has a built-in microphone and speaker. It connects to your smartphone via Wi-Fi and sends notifications, so you can monitor what's going on around your home in real time. In addition, it is IP67-rated.

Several forms of recording storage

You can save finished recordings in 2 ways. The camera is equipped with a slot for a micro SD card with a capacity of max. 256 GB. In addition, the IMOU cloud is available - from there you can play back the saved footage or open an online preview.

Take care of home security

The IMOU outdoor camera offers 1920x1080p video and provides 16x zoom, so you can be sure that your recordings will be clear. What's more, the Bullet 2 quickly detects moving people and objects up to 124° - instantly a loud alarm will sound, a warning light will be activated, and you'll receive a notification in the app.

Built-in microphone and speaker

With IMOU Bullet 2, your home will be thoroughly secured. The camera records both video and audio. It is equipped with a microphone that accurately collects sound while monitoring. The built-in speaker, on the other hand, allows you to communicate with your family or calm your barking pet if you're away from home.

Clear images at night

Enjoy sharp, high-quality images even at night. The camera offers several types of night mode, so you can customize the camera's operation to suit your needs. Options include: Smart Mode, Color Mode and Infrared Mode. What's more, the detection range after dark reaches 30 meters. Protect your home around the clock with IMOU.
