Shoulder Bag PGYTECH OneMo Sling 11L (space black)

Ref: 6976100482258

PGYTECH OneMo Sling 11L Shoulder Camera Bag (Black)

The PGYTECH camera bag is an indispensable tool for every photography enthusiast. With a capacity of 11 liters, it can accommodate all the essential elements of your photographic equipment. It is made of waterproof material, so you don't have to worry about your equipment when shooting in the rain or challenging weather conditions.

All Your Gear in One Bag

Now you can easily pack all your gear for an outdoor photo session! The bag offers a capacity of up to 11 liters, which you can easily expand by an additional 2.5 liters. This is enough space to accommodate a camera, 3 additional lenses, spare batteries, and many other essential accessories. Furthermore, it is equipped with special compartments that will help you keep things organized - you can customize their arrangement according to your preferences and the type of equipment you plan to carry.

Paying Attention to Details

The PGYTECH bag has been designed with great attention to the smallest details. It offers plenty of small pockets that are perfect for storing cables, batteries, your phone, AirTag, and many other accessories. The OneMo Sling also features special mounts for cameras, and there are straps on the bottom of the bag that allow you to comfortably carry a tripod.
