Shoulder Bag PGYTECH OneMo Sling 7L (space black)

Ref: 6976100482234

PGYTECH OneMo Sling 7L Camera Bag (Black)

The PGYTECH camera bag is an indispensable tool for every photography enthusiast. With a capacity of 7 liters, it can accommodate all the essential elements of your photography equipment. It is made of waterproof material, so you don't have to worry about your gear when shooting in the rain or challenging weather conditions.

All Your Gear in One Bag

Now you can easily pack all your gear for outdoor photo sessions! The bag offers a capacity of 7 liters, which can be easily expanded by an additional 2 liters. It provides enough space to accommodate a camera, 2 additional lenses, spare batteries, and many other essential accessories. Furthermore, it is equipped with special compartments that make it easy to keep things organized – you can customize their placement according to your preferences and the type of equipment you plan to carry.

Precise Attention to Details

The PGYTECH bag is designed with meticulous attention to detail. It offers plenty of small pockets that are perfect for storing cables, batteries, phones, AirTags, and many other accessories. OneMo Sling also features special mounts for cameras, and at the bottom of the bag, there are straps that allow you to conveniently transport a tripod.
