

Telesin 3-slot charger + 2 batteries for GoPro Hero 11 / Her

Ref: 6972860172286

Telesin 3-slot charger + 2 batteries for GoPro Hero 11 / Her

Telesin GP-BTR-903 charger and 2 battery pack for GoPro Hero 11 / Hero 10 / Hero 9

The Telesin charger allows you to quickly charge up to 3 batteries for your GoPro action camera simultaneously. The advanced security system protects them from damage. The light weight of 27.5 g and compact size make it also perfect for travelling. The device has been equipped with special LEDs that glow red during charging, and green when it is completed. The kit also includes 2 additional batteries for GoPro Hero 11 / Hero 10 / Hero 9, which will allow you to significantly extend the recording time.

It will charge your camera's batteries instantly

The charger supports 5V 2A fast charging. It only takes 2 hours to fully charge the included batteries! When charging is finished, it will stop working by itself, which makes it more energy-saving and environmentally friendly.

2 long-lasting batteries included - create even more great shots

The included batteries have a capacity of 1750 mAh, which means up to 112 minutes of recording time (when creating 4K/30FPS videos). They are fully compatible with the GoPro Hero 11 / Hero 10 / Hero 9 cameras, as well as the original batteries. With the Telesin charger, you can conveniently charge them all together.

Total safety of use

The complex security system ensures that you can use the product without worry. The device is equipped with protection against overcharging, overloading, overvoltage, short circuit and inappropriate temperature, etc. Freely charge your GoPro Hero 11 / Hero 10 / Hero 9 camera batteries - neither them nor the charger is in danger of damage!

Always on hand

The device is also incredibly handy, lightweight and compact, which makes transporting easier. The small weight and dimensions of only 51.7x59.6x20.4 mm allow you to conveniently pack the charger to your backpack, suitcase or handbag, so you can take it with you almost anywhere - outdoors or on vacation. Your sports camera's batteries will always be ready to provide the energy to create original shots!
