

Selfie stick Telesin for sport cameras (GP-MNP-090-D)
Selfie stick Telesin for sport cameras (GP-MNP-090-D)

The Telesin GP-MNP-090-D selfie stick

Telesin adjustable length aluminum alloy selfie stick gives you even more options for recording with your sports camera or phone. The non-slip grip makes it extremely comfortable to use. It also stands out for its considerable durability and is incredibly compact when folded. The included tripod allows you to use this practical accessory also as a tripod.

Adjustable length for multiple applications

You can adjust the length of the selfie stick from 20-90 cm. This makes it easy for you to use it exactly the way you want. You can easily adjust it according to your needs. Are you planning an interesting shot from an unusual perspective? Do you want a fantastic photo from above? Or maybe you want to take a group selfie? This Telesin accessory will prove indispensable in these and many other situations!

Wide compatibility

The selfie stick is compatible with many different devices. You will successfully use it in combination with sports cameras, such as GoPro, DJI Osmo Action or Xiaomi Yi, etc. In the set you will also find an additional phone holder, which allows stable mounting of smartphones with a diagonal of 3.5-6". It is equipped with special pads that protect your devices from scratches and falling.

Perfectly thought-out design

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente) Telefone: +351962484153 (Chamada para rede móvel nacional) Email: info@mobilemax.pt

Ref: 6972860174594

The accessory is very durable and robust, yet surprisingly lightweight. It weighs only 241 g and has a maximum load capacity of 1 kg, which gives you enormous creative possibilities. The non-slip grip not only provides comfort, but also reduces the risk of the selfie stick falling out of your hand. Moreover, after folding the product becomes extremely handy and portable. So you can always have it at hand. Take it on a trip, outdoors or on vacation and create stunning shots whenever you want!
