ENCHEN Humming Bird hair clipper

The ENCHEN Humming Bird hair clipper will allow you to precisely trim your hair in your own home. The device is equipped with a high-end blade, and its motor runs at up to 7100rpm. You will also find 3 interchangeable comb attachments in the set. The heavy-duty battery ensures a long run time, and the lightweight, portable design makes it easy to possibly transport the razor.

Comfort of use

Ensure greater user comfort when cutting hair. The razor fits well in your hand and is extremely easy to use. It is also possible to disassemble its head and wash it under running water to avoid the proliferation of bacteria and reduce the risk of skin problems. At the same time, the device is light and compact enough to accompany you almost anywhere - pack it in your suitcase and take it with you on vacation!

Wireless operation

Forget about cables that are too short, tangled and limit your freedom. The ENCHEN Humming Bird razor can work wirelessly and is equipped with a long-lasting rechargeable battery that ensures run time of up to 210 minutes. The included USB cable allows you to conveniently charge the device. It will only take about 3 hours! Information about the status of the battery will provide you with a built-in light indicator.

Quiet and efficient operation

Cutting hair has never been more convenient. The razor is distinguished by its 10W power, and its motor runs at up to 7100rpm, which translates into efficient operation. The device also works surprisingly quietly - ideal for children as well. What's more, the carefully designed blades are made of high-quality materials, allowing for precise cutting without causing irritation or cuts.

Useful accessories included

Now you can easily create an original hairstyle. The set includes not only the razor, but also 3 comb attachments (0.5 mm, 1 mm and 1.5 mm), with which you can easily adjust the length of the blade to your needs. Ensure the necessary precision while cutting, or get an interesting gradient effect. You'll also find a small brush and blade oil in the package for easy maintenance of your razor.
