### ENCHEN Sharp 3S hair clipper

You don't have to spend money in hair salons often anymore. The ENCHEN Sharp 3S hair clipper will allow you to precisely cut your hair at home! The device is equipped with a high-quality blade, the length of which can be adjusted from 1-20 mm with a special comb attachment. The product is very easy to use, and its working time reaches 90-150 minutes on a single charge.

### High efficiency

The razor's motor operates at, 7300rpm, and its power reaches 5W. This translates into its efficient, reliable performance. The steel cutting head with a high-quality blade allows for fast, accurate, yet safe cutting - don't be afraid of irritation or cuts! The device also works extremely quietly - it will also be ideal for clipping children.

### Customize it to your needs

You no longer need to use many different comb attachments. Now you only need one! ENCHEN Sharp 3S razor is equipped with a special

cap and knob, with which you can conveniently adjust the length of the blade in the range of 1-20 mm. Thanks to this, even a novice user will easily adjust the device to his needs and get the desired results!

#### Long working time

Enjoy more freedom of movement during your haircut. ENCHEN Sharp 3S hair clipper works wirelessly - it is equipped with a durable 600mAh battery. Fully charged, it can serve you for up to 90-150 minutes! It's charging will not take long - about 1.5-2 hours is enough. The included cable allows you to charge the device with a charger, powerbank or even a laptop.

#### User-friendly

ENCHEN proves that cutting hair doesn't have to be a big challenge at all. The Sharp 3S hair clipper is very easy to use and feels great in the hand. Lightweight and handy - you can easily pack it in your suitcase and take it with you on a trip. It is also possible to remove the head of the device and clean it under running water.
