ENCHEN Warrior Shaver

The ENCHEN Warrior cordless shaver will help you take control of your beard. It is equipped with 3 movable blades and is distinguished by its 5W power. Thanks to the specially designed head, it glides smoothly over the skin and does not cause irritation. Its cleaning will also not cause you any problems. The device also has a built-in trimmer, which, among other things, allows you to conveniently style your bangs. The shaver's run time reaches 90 minutes on a single charge.

Fast, precise and safe shaving

As many as 3 movable blades of the shaver allow you to eliminate stubble quickly and effectively even on larger areas of skin. The specially designed cutting head perfectly adapts to the shape of your face and glides smoothly over it, removing even the shortest hairs. You also don't have to worry about irritation or cuts. The device's blades were created from high-quality materials, and thanks to its well-thought-out design, they allow for effective yet safe shaving.

Impressive power

A modern motor is responsible for the efficient operation of the shaver. The device features a power of 5W, which translates into even faster and more efficient shaving. You also don't have to worry about annoying noise. The shaver works surprisingly quietly - its volume level is only about 67dB. As a result, using the device becomes much more comfortable - forget about annoying noise!

Long working time

The durable battery means that a fully charged shaver can serve you for up to 90 minutes. Its charging will only take about 1-1.5 hours. You'll also find a USB-C cable included, with which you can easily connect it to the power supply. What's more, the device works both wirelessly and wired. Even if you forget to charge it, you can simply plug it into a power source and shave - no need to waste time waiting!

Not just for shaving

The ENCHEN Warrior shaver allows you not only to shave your beard, but also to style it. The device is equipped with a practical trimmer. To use it, all you have to do is press a button! With its help you can effortlessly style sideburns or mustaches. You only need one device to comprehensively take care of your beard and show everyone your unique style! ENCHEN will provide you with unparalleled efficiency and precision.

User-friendly

Operation of the shaver is extremely simple and convenient. The cordless design guarantees freedom of movement while shaving, and the built-in light indicator provides information about the battery charge level. Just take a look! You can turn the device on and off with a nice touch button. You can also easily remove the shaver head and wash it under running water. This will keep it in perfect condition for longer and reduce the risk of bacteria multiplication!
