Ref: 6974316281443

Wall charger Acefast A29 PD50W GAN 2x USB-C 50W (black)

Acefast A29 PD 50W GaN 2x USB-C wall charger

Enjoy the ability to quickly charge 2 devices simultaneously. The Acefast A29 charger puts 2 USB-C ports at your disposal and provides a maximum output power of up to 50W. The product is also distinguished by its wide compatibility and uses advanced GaN technology. It also supports various fast charging standards.

You can connect up to 2 devices to it

No longer do you have to occupy more outlets or wait for one device to be charged before connecting another. The Acefast A29 charger will allow you to quickly charge 2 devices at the same time! With its help, you will easily restore energy to most tablets and smartphones of well-known brands.

Fast charging

Don't like to wait too long for your devices to charge? The A29 charger will be perfect for you! The product supports such fast charging standards as PPS, PD3.0, QC4.0+, AFC, FCP and SCP. It also provides a total output power of up to 50W. All this means that your equipment can be up and running in no time!

Carefully considered design

The charger is equipped with an advanced safety system to protect it from damage, and durable, fire-resistant PC plastic is used in its construction. The product also uses modern GaN technology, which guarantees more stable charging and faster cooling. It also made it possible to reduce the size of the charger.
