Desktop power strip Acefast Z2, GaN, 3xUSB-C, 2xUSB-A, 75W (black)

The Acefast Z2 is an efficient power charger and power strip in one. It comes equipped with an AC socket with a power rating of up to 4000W and a total of 5 ports (2x USB-A, 3x USB-C), allowing you to connect up to 6 devices simultaneously. This product stands out for its wide compatibility and durability, thanks to the use of fire-resistant PC material in its construction. Furthermore, the charger supports fast charging standards such as PD, PPS, QC, FCP, and AFC.

Up to 6 Devices Simultaneously

The charger provides you with an AC socket and 5 ports, including 2 USB-A ports and 3 USB-C ports. You can use it to charge or power up to 6 devices at the same time. The Z2 model is compatible with most popular devices such as smartphones, laptops, tablets, gaming consoles, and more. The combination of an AC socket and multiple ports makes this charger versatile for use both at home and during travel.

Impressive Performance

The AC socket of the charger provides a power output of up to 4000W, allowing you to connect your chosen devices without any issues. The Z2 model also enables high-speed charging with a maximum power output of 75W, ensuring that your tablet or phone is ready for use in no time. The product utilizes advanced GaN technology, which has increased its efficiency while maintaining a compact size.
