Memory card Samsung PRO Plus SDXC 256 GB U3 A2 V30 (MB-MD256

Samsung PRO Plus SDXC 256 GB U3 A2 V30 card (MB-MD256SA/EU)

Are you a professional photographer or filmmaker? Or do you simply need more space for your data? The Samsung PRO Plus memory card is sure to meet your expectations! It offers a capacity of up to 256 GB and provides impressive read speeds of up to 180 MB/s and write speeds of up to 130 MB/s. With the card, successfully increase the memory on your smartphone, tablet and many other devices.

Even faster transmission

The Samsung PRO Plus card delivers an incredible read speed of up to 180 Mbps, meaning your data will be available in the blink of an eye. A write speed of 130 Mbps, on the other hand, ensures that your files are saved in no time. The card has a U3 speed class, making it ideal for recording 4K video. What's more, the V30 video class allows for smooth video recording in the highest quality.

Capacity to suit your needs

You no longer have to worry about running out of space on your phone or camera! With a capacity of 256 GB, the card can hold all your favourite videos, photos and documents. So you don't have to limit yourself in creating new content! In addition, the card is equipped with protection against water, high temperatures, x-rays, magnetic fields, drops and wear and tear.
