Powerbank Baseus Blade 20000mAh, 2xUSB + 2xUSB-C, 100W (black)

Powerbank Baseus Blade 20000mAh, 2xUSB + 2xUSB-C, 100W (black)

Modern PowerBank has been equipped with a battery with capacity of 20000mAh. It features high charging power (100w) and has 4 ports - 2 USB-A ports and 2 USB-C ports. There is a display on its body that shows the remaining charge level. The device is very light and its thickness does not exceed 18mm, so it is perfect for traveling. The hardware is certified by RoHS, FCC and CE. Moreover, it was the winner of Red Dot Design Award 2022.

### Lightweight design

Take it with you everywhere! The device weighs just 490 g - thanks to its ABS and PC finish. Additionally, it is thinner than a standard laptop (18mm). It features a minimalist design with a soft texture and comfortable grip. It has a hidden 0.6cm long button and is stable and non-slip.

### Capacity 20,000mAh

Charge your phone repeatedly thanks to its 20000 mAh capacity! The device will come in handy both on the go and in the case of prolonged lack of access to electricity. You can charge the battery quite quickly using the Type-C port. Save time and energy! MacBook Pro 13 charges to 39 percent in just 30 minutes. With the maximum power draw (65W), your device will be fully charged in 90 minutes. And with 30W power consumption, the charging time will be 180 minutes.

### Precise and efficient time management

On the front you will find a built-in display that shows in real time: the level of charge in percent and the remaining charging time. You will read from it the time needed to charge the powerbank and the remaining working time.

### Versatility

Charge up to 4 devices at the same time and share the powerbank with your family and friends. The product will allow you to charge not only smartphones, but also tablets, laptops or speakers. It works with most of the popular USB-A/USB-C powered devices. The BPSII technology supports fast charging, and the control chipset adjusts the current to the device, protecting it from damage. What's more, it has multiple protections - against overcharging, over-discharge, over-voltage, overheating or short circuit.

### Safe to use

The device is durable - it has been made of durable and wear-resistant materials. The powerbank has won numerous certificates and has national safety and quality standards. What is more, the NTC temperature sensor intelligently monitors the temperature of the device. Take it with you on the go! The powerbank meets international safety standards, so you can even have it on board an airplane.

### Included

USB-USB-C cable

### Brand

Baseus

### Name

Blade Power Digital Display Fast Charging Power bank 20000mAh 100W Black

### Model

PPDGL-01

### Color

Black

### Dimensions

162x143x18mm

### Weight

approximately 490g

### Battery

Lithium-polymer

### Capacity

5000mAh/14.8V(74Wh) 20000mAh/3.7V

### Rated capacity

12000mAh (5V/3A)

### Energy conversion ratio

= 75%

### Input Connectors

Type-C 1/2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (max)

### Output Connectors

Type-C 1/2: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A , USB1/USB2: 4.5V/5A, 5V/4.5A, 5V/3A, 9V/3A 12V/2.5A Max

### Power

Type-C1 + Type-C2: 65W + 30W , Type-C1/2 + USB1/2: 65W + 30W , Type-C1 + Type-C2 + USB1/2: 45W + 30W + 18W

### Total output power

5V/9A Max

### Compatibility

MacBook Pro 15/13/13", MacBook 12 , Lenovo ThinkPad E595/X1C/X270/T470/X1 Yoga, ThinkPadS3-490 14", Yoga 920-13IKB, XiaoXin

pro-131ML, Dell Latitude 5300 2-in1/7300/5480,XPS 13 9300/13-9365 i5-8200Y, E7480,InSpiron 13 7378 2-in-1
