Case ESR Classic Hybrid with Kickstand for iPhone 15, Magsaf

ESR Classic Hybrid Case with Kickstand for iPhone 15, MagSafe (transparent)

Provide your iPhone with the best protection while enjoying user convenience! The ESR Classic Hybrid Case effectively shields the device from scratches, shocks, and damages. The built-in kickstand allows you to comfortably watch videos and also effectively protects the camera lens. This accessory is perfectly tailored for the iPhone 15 and is compatible with HaloLock and MagSafe technologies.

Caring for Your iPhone's Safety

Be assured that your phone is effectively protected in nearly every situation! The case reliably safeguards the device from accidental damage. Reinforced edges absorb shocks from falls and provide excellent cushioning for drops. Raised edges further protect the screen and lens from scratching when the smartphone is placed on a flat surface.

Attention to Detail

The Classic Hybrid Case offers a built-in foldable kickstand that allows for comfortable video watching, video calls, or app usage in a horizontal position without the need to hold the phone. Moreover, you can adjust the tilt angle effortlessly within a range of 15 to 85 degrees.

Perfectly Tailored

The case is designed with the iPhone 15 in mind. It fits perfectly, and precise cutouts for ports ensure full access to the smartphone's interface. You can charge your phone without removing the case, even using a wireless charger. Magnets with a pulling force of 1500g provide stability and reliability during recharging.

Durable Construction

Thanks to its sturdy construction and made from durable PC and soft TPU, the ESR Classic Hybrid Case can withstand even the toughest conditions and meets Military Grade standards, showcasing exceptional durability. You no longer have to worry every time you drop your phone! Furthermore, the product is not prone to yellowing and will maintain its aesthetic appearance for a long time.
