

Powerbank Baseus Bipow 10000mAh, 2xUSB, USB-C, 15W (black)

Ref: 6953156206458

Powerbank Baseus Bipow 10000mAh, 2xUSB, USB-C, 15W (black)

Powerbank Baseus PPDML-I01

Do you care about being able to quickly charge your devices almost anywhere in the world? Try the Baseus PPDML-I01 powerbank with a capacity of 10000mAh! You can connect several devices to it at the same time and not worry about their safety - the complex protection system effectively prevents damage. The built-in LED screen makes it easy to operate the product, and the compact size, light weight and compliance with international air transport standards allow you to take it with you almost anywhere.

Fast charging for your devices

The powerbank supports fast charging with up to 15W of power. It is perfect for powering your Huawei, Xiaomi or Samsung smartphones. Your devices can be ready for use again in no time - a great time saver! And what about the powerbank itself? It only takes up to 5.5 hours to fully charge it.

Connect multiple devices simultaneously

The device is equipped with multiple outlets so that you can connect more than one device to it at the same time. The product offers 2 USB 15W output ports, 1 micro USB 10W input port, and a USB-C 15W input/output port. What does this mean in practice? With the powerbank you can, for example, power your tablet and 2 smartphones at the same time - no more waiting for the first device to be charged before plugging in the next one!

Don't worry about safety

The high-end polymer-lithium battery guarantees not only fast but also safe charging. Baseus offers protection against overvoltage, overcurrent, overcharging and short circuit among others. The powerbank is also equipped with NTC temperature sensors that prevent overheating. The product intelligently detects connected devices and adjusts the charging current to them, protecting them from damage.

Designed for your convenience

Maintaining the powerbank in perfect condition will not cause you even the slightest problem. Its casing is distinguished by a pleasant to the touch texture, which is resistant to sweat and fingerprints - you can easily keep it clean. Thanks to it you can comfortably use the device also in the summer. The product is equipped with an easy to read LED screen, which displays the current battery level in real time.

The dream travel companion

Get yourself a reliable power source that can accompany you almost anywhere. Baseus powerbank is light and handy - its transport will not cause you any problem. You can even take this practical device on a plane - it meets all the necessary requirements. Baseus gives you the opportunity to conveniently charge your equipment everywhere you need.

You can use it in so many ways

Powerbank does not have to be used only for charging your phone! Baseus brand device is suitable for many different applications. Do you want to cool off a bit on a hot summer day? Connect your portable fan and enjoy a pleasant breeze! There's a power outage, your laptop is about to run out of power and you have an important project to finish? The Powerbank comes to the rescue! Its long runtime and portable design will surely meet your expectations.
