

Cable USB-C to USB-C Mcdodo CA-3423 90 Degree 1.8m with LED

Ref: 6921002634236

Cable USB-C to USB-C Mcdodo CA-3423 90 Degree 1.8m with LED (black)

Mcdodo CA-3423 90 degree USB-C to USB-C cable 1.8m with LED (black).

The CA-3423 angled cable from Mcdodo combines modern design and durability. Made of flexible PVC and TPE, it is resistant to bending and twisting. The cable supports fast charging with a current of up to 6A, allowing up to 100 watts of maximum power. This makes charging your devices not only fast, but also safe.

Ergonomic angled design

The plug's 90-degree slim design provides convenience when using your phone while charging, fitting perfectly in the palm of your hand. This shape of the plug is especially practical when playing games or watching movies, as the cable does not get in the way, lying flat on the side of the device.

LED backlighting: Convenience in the dark

One of the unique features of the Mcdodo CA-3423 cable is the built-in LED indicator, which makes it easy to find the cable in the dark. This is extremely practical when traveling at night or in a room with poor lighting.

Wide compatibility

The cable is compatible with many mobile devices, including phones from brands such as Huawei, Samsung, OPPO, VIVO and Xiaomi,

supporting their fast charging technologies. So you can use the cable without worry and enjoy charging without interference.
