

Cable USB-A to Lightning Mcdodo CA-3651, 1.2m (blue)

Ref: 6921002636513

Cable USB-A to Lightning Mcdodo CA-3651, 1.2m (blue)

Cable USB-A to USB-C Mcdodo CA-3651, 1.2m (blue)

Now you can charge your devices even faster. The Mcdodo CA-3651 USB-A to USB-C cable delivers power of up to 100 W and a current of up to 6 A. It supports various fast charging standards and allows for file transfer speeds of up to 480 Mbps. It is also distinguished by its stylish design, durable construction, and wide compatibility. The package includes a practical clasp that makes it easy to store and transport the cable.

Refined in Every Detail

Transparent elements give the cable a modern, stylish character, and the high-density weave not only looks great but also protects the cable from damage. The reinforced copper wire ensures reliable transmission, fast charging, and resistance to interference, while advanced MSC technology ensures intelligent temperature control and prevents overheating. All of this translates into the exceptional durability of the CA-3651 model and its resistance to bending, abrasion, or breakage.

Fast Charging and File Transfer

You no longer have to wait too long for your devices to charge. The cable provides up to 100 W of power and supports fast charging standards such as Huawei SCP, Samsung AFC, OPPO VOOC, and QC 2.0 / 3.0 / 4.0. Furthermore, the CA-3651 model allows data transfer at speeds of up to 480 Mbps. You can quickly transfer essential files between devices! With Mcdodo, you'll save valuable time.
