Long Nose Locking Pliers 9" Deli Tools EDL20015B (silver)

Deli long nose locking pliers EDL20015B

Deli brand long nose locking pliers will find many uses in your workshop. They are made of the highest quality carbon steel, which ensures their robustness and strength. The teeth jaws assure firm clamping. The adjustable screw allows for easy adjustment of the clamping size, and the special locking and releasing handle allows you to clamp the selected parts without deforming them. The rounded jaws also have a built-in cable cutting blade.
