

Hair Straightener and Curler 2-in-1 ENCHEN Enrollor

Ref: 6974728532027

Hair Straightener and Curler 2-in-1 ENCHEN Enrollor

ENCHEN Enrollor 2-in-1 Hair Straightener and Curler

Create a unique hairstyle with the Enchen Enrollor. Hair Straightener and Curler allows you to both curl and straighten your hair. It heats up quickly (30 seconds) and maintains the set temperature. In addition, it does not cause a pulling sensation and does not damage your hair.

Heats up quickly

Hair Straightener and Curler is equipped with an aluminum alloy panel, which heats up in no time. It only takes about 30 seconds for the device to be ready for use. Such a solution will save you time and create your dream hairstyle in no time.

Safety of use

Enchen Enrollor is designed to provide you with the utmost comfort and safety. Thanks to its well-thought-out design, it does not cause a pulling sensation and does not damage your hair, so you can use it without worry.

Adjustable temperature

With different users' needs in mind, the Enchen Hair Straightener and Curler is equipped with a temperature adjustment function from 140 - 200°C. This will make it work well for thin, thick and color-treated hair. All you have to do is press the appropriate button. What's

more, the selected value will appear on the built-in display.
