

Wall charger Acefast A9 PD40W, 2x USB-C (white)

Ref: 6974316280200

Wall charger Acefast A9 PD40W, 2x USB-C (white)

Acefast A9 PD 40W Power Charger (USB-C+USB-C)

Enjoy fast charging of up to 2 devices simultaneously. The Acefast A9 charger is equipped with 2 USB-C ports, each of which can provide up to 20W of output power. It also guarantees safe use and is highly durable - fire-resistant PC was used for its construction. What's more, the product supports various fast charging standards.

Charge 2 devices simultaneously

Now you can charge as many as 2 devices at the same time. The A9 charger is equipped with 2 USB-C ports that support fast charging. This allows you to charge your iPhone and iPad, for example, in a short time. You don't have to wait for one device to be ready before plugging in another!

Fast charging

With Acefast, you'll save time. The charger provides a total output power of up to 40W (20W per port) and supports such fast charging standards as PD, QC3.0, QC2.0, AFC and FCP, for example. It's also compatible with 99% of USB-charged devices. So you can restore power to your smartphone or tablet in no time!
