Tribit StormBox BTS30 Bluetooth Wireless Speaker (black).

Enjoy great sound and long runtime with the Tribit StormBox BTS30. The wireless speaker features a thoughtful design, delivering 360° sound. What's more, XBass technology emphasizes the low tones of songs, and the durable battery provides up to 20 h of playback. What's more, the speaker connects via Bluetooth 4.2 and is water resistant. You can also pair 2 speakers for an even better effect.

High quality sound, fast connection

The Tribit speaker offers excellent sound, and the Xbass technology, allows you to enjoy the depth of low tones. What's more, the device's clever design makes the sound spread 360°. In addition, the product connects to a compatible device via Bluetooth 4.2. For even better results, pair the equipment with 2 speakers.

Carefully considered design

The speaker is fully water resistant, allowing you to use it without worrying about damage. What's more, it can be safely submerged to a depth of about 1m for 30 minutes. In addition, it is distinguished by its lightweight and portable design, and the included handle will make it easy to transport the device. On the other hand, buttons located at the top are responsible for convenient operation.

20 hours of uninterrupted music

Another advantage of the Tribit speaker is its long working time. The device is equipped with a 2x 2600 mAh battery, which translates into about 20 h of operation on a single charge. On the other hand, after about 4 h it will be ready for further work.
