

## Speaker Tribit ThunderBox Plus BTS25R Wireless Bluetooth

Speaker Tribit ThunderBox Plus BTS25R Wireless Bluetooth

Ref: 6972838611861

ThunderBox Plus BTS25R Bluetooth Wireless Speaker.

Now you can take your favorite music almost anywhere. The Tribit wireless speaker connects to a compatible device via Bluetooth 4.2 and offers a stable signal up to 30 meters. You can successfully pair it with your smartphone, laptop or tablet. It provides richly detailed and deep bass sound, and the long-lasting battery is responsible for long operating time. In addition, it is fully waterproof, and its operation is facilitated by buttons located at the top.

Fast connection, wide compatibility

The Tribit wireless speaker supports Bluetooth version 4.2, which provides a stable signal without interference up to 30 meters. In addition, the BTS25R connects to devices such as smartphone, tablet laptop, etc. What's more, it works with Amazon Echo Dot, Siri, Google Assistant, so you can control it with voice commands.

Excellent sound quality

Enjoy high quality sound with the BTS25R from Tribit. The speaker offers 2x 12W of power and delivers great harmony and richly detailed sound. What's more, XBass technology is responsible for deep bass tones.

Long runtime

The speaker is equipped with a long-lasting battery that provides up to 20 hours of operation on a single charge. As a result, you can listen to up to 500 songs! Take your favorite music to the beach, a meeting with friends, a garden party - the decision is yours!

Lightweight, water resistant

This is not the end of the Tribit speaker's advantages. The device is distinguished by its lightweight and portable design, so you can take it with you almost anywhere. Moreover, it is fully water resistant, so you don't have to worry about it being damaged.
