Wireless Bluetooth Speaker Tronsmart Bang SE (black)

Tronsmart Bang SE Wireless Speaker (black).

Looking for a speaker that's perfect for everyday use and events? The Tronsmart Bang SE wireless speaker will be perfect for you! They will stand out with a high output power of up to 40 watts and a high level of signal power. What's more, you can already forget about cumbersome, tangled cables, as this device is equipped with the latest Bluetooth 5.3 technology.

Great sound wherever you are

This portable Bluetooth speaker with bright stereo sound will let you enjoy music wherever you want. With two full-range drivers and Sound Pulse technology, the device offers realistic and powerful bass sound in real time. You can also combine two speakers for even richer stereo sound.

High power

The 40W output power guarantees an excellent sound experience, no matter what songs you choose. What's more, this device uses state-of-the-art Bluetooth 5.3 technology, which guarantees stable transmission up to 15 meters. Provide yourself and your friends with unforgettable moments with the innovative Tronsmart speaker.

Tailored to your needs

Make parties even more fun with three LED lighting modes that change to the rhythm of the music to create an unforgettable atmosphere. The IPX6 waterproof rating makes the speaker splash-proof, allowing you to use it at the beach or in rainy weather. With Tronsmart, nothing will limit you anymore!

Long working time

The Tronsmart speaker is equipped with a 4,000 mAh battery, which provides up to 24 hours of playback with the LED lights off and up to 5 hours with the lights on. What's more, this device is ultra-portable, so you can easily take it with you to any party, trip or get-together with friends. Enjoy your favorite tunes wherever you are!
