Now you can freely play games, download files, work, or watch movies. The Vention network cable provides transfer speeds of up to 10 Gbps, so you don't have to worry about delays or other signal problems. Copper contacts and aluminum foil shielding ensure fast and stable transmission, while the flat design and thickness of just 2.5 mm make cable installation easy. You can easily route it under doors or along walls! The cable also stands out with its wide compatibility - it works perfectly with computers, laptops, routers, and more.
