Vention COWBF USB-C 2.0 to Mini-B cable (2 A, 1 m, black)

Get a convenient way to connect your camera, MP3 player or external HDD to your laptop or phone. The Vention USB-C/Mini-B cable allows you to charge at 2 A and transfer files at 480 Mbps at the same time. With it, you will improve your work and quickly renew the energy of your equipment. The product is also widely compatible and resistant to damage and interference, with a length of 1m.

A range of conveniences

Thanks to the fact that the Vention cable allows data transmission at 480 Mbps, just 30 seconds is enough to transfer a 1GB file. In addition, the current of up to 2 A is a guarantee of fast charging. The product also allows you to expand the memory on your laptop by connecting an external hard drive. The solution used allows you to store large files freely and makes data management easier.

Robust design and wide compatibility

The product is impervious to damage and resistant to interference. The cable is made of flexible TPE material, which increases its durability. In addition, the cable is compatible with a range of devices, such as phones, tablets, laptops, external HDDs, video recorders, MP3s, MP4s, MP5s, camcorders, DVs and gaming keyboards.
