

USB 2.0 A to USB-C 3A cable 0.25m Vention CTHBC black

USB 2.0 A to USB-C 3A cable 0.25m Vention CTHBC black

Ref: 6922794767454

Vention CTHBC USB 2.0 to USB-C cable (3 A, 0.25 m, black)

Instant renewal of energy, support for fast charging protocols, efficient data transmission and safety of use - these are the main advantages of the Vention USB 2.0 to USB-C cable. In addition, the 0.25 m cable is distinguished by its high durability and resistance to damage.

Impressive speed of operation

The Vention cable operates at up to 3 A and supports a variety of fast charging protocols, including Huawei FCP, Qualcomm QC and Samsung AFC. Combined with a 3 A charger, it will instantly renew your phone's power, saving you valuable time. The product also allows you to transfer data while your device is charging - speeds of 480 Mbps allow you to transfer large files and photos in no time.

Attention to detail

You don't have to worry about the security of your equipment. The Vention cable ensures safe and stable charging. The built-in 56K Ω resistor controls that the current does not exceed 3A, while eliminating the risk of overloading. The product also provides excellent signal quality thanks to its 28/22 AWG galvanized copper wire. In addition, an extra layer of shielding minimizes interference, ensuring stable data transmission.

□Manufacturer
□Vention
□Model
□CTHBC
□Type
□USB 2.0 to USB-C
□Data transfer speed
□480 Mbps
□Current
□3 A (max.)
