

Flat Network Cable Extension Category 7 Vention ICBBJ 5m Bla

Ref: 6922794729773

Flat Network Cable Extension Category 7 Vention ICBBJ 5m Black

Flat Cat.7 Network Cable Extension Vention ICBBJ 5m Black

Digital technology today requires not only advanced equipment but also the right tools and accessories to fully utilize its potential. The Vention ICBBJ network cable extension is a product that combines quality workmanship with performance. It is the answer to the needs of users who desire certainty and reliability in everyday use.

High Throughput up to 10 Gbps

Thanks to its data transmission capability of 10 Gbps, the Vention ICBBJ extension ensures smooth and fast operation. This transmission speed is perfect for those who need a stable connection when transferring large files, streaming in high resolution, or other activities requiring high data transfer power. With this extension, you don't have to worry about delays or interruptions.

Versatile RJ45 Interface

The ICBBJ model is equipped with a universal RJ45 interface, making it compatible with many devices. Whether you want to connect a computer, laptop, router, or switch, this extension provides a secure and lasting connection. With such a solution, you can be sure that one product will meet many of your needs.

Flat Design for User Convenience

The specifics of the flat design of the Vention extension not only add an aesthetic look but also facilitate its installation and organization. This shape allows for discreet cable routing along the floor, wall, or under the carpet, minimizing the risk of tangling and mess. With a length of 5 m, the extension is a practical solution that provides flexibility in configuring your workspace or entertainment area.
