

UTP cat.5E network cable Vention VAP-A10-S2000 20m Blue

Ref: 6922794718869

UTP cat.5E network cable Vention VAP-A10-S2000 20m Blue

Vention VAP-A10-S2000 20m Blue UTP Category 5E Ethernet Cable

This cable is suitable for both work and home use. It provides a fast internet connection, allowing you to play, work, and download files without worrying about delays. The use of 26AWG copper wire ensures efficient performance, while the aluminum construction ensures durability. The product is also resistant to interference, wear, and breaking.
