USB 2.0 A to B cable Vention COQBJ 8m Black PVC

Ref: 6922794748590

USB 2.0 to USB-B cable Vention COQBJ 8m (black)

Print even more efficiently and effectively. Vention's USB 2.0 to USB-B cable with up to 2 amps of power ensures smooth operation without lag or distortion. It also enables data transfer speeds of up to 480 Mbps. At the same time, it is resistant to damage and will serve you for many years. The cable length is 8 meters.

Reliable in any situation

Whether you work in the office, at the reception desk, or happen to print documents at home, the Vention cable will work well in any situation. Thanks to Plug & Play, you don't have to worry about having to perform complicated configurations or install drivers, adding to the convenience of use. The product is resistant to interference, and the aluminum cover ensures not only stability, but also durability. In addition, it is distinguished by its wide compatibility - you can successfully connect a printer, scanner or fax machine to it.

Speed of operation

Forget what waiting is. With an amperage of 2 A and the ability to transfer files at 480 Mbps, the Vention cable will instantly renew the energy of your compatible device and help you transfer documents, photos or videos to your chosen equipment.
