

USB 3.0 cable Vention CONBG 1.5m Black PVC USB 3.0 cable Vention CONBG 1.5m Black PVC

Vention CONBG USB 3.0 Cable 1.5m Black PVC

The Vention CONBG cable is a blend of practicality and modernity. It stands out with its high quality of manufacture and versatility, becoming an essential element in the home or office of any electronic equipment user.

High-Speed Transmission

In the age of the digital revolution, a key feature of any cable is the speed of data transmission. The CONBG model from Vention guarantees a throughput of up to 5 Gbps. This allows the user to quickly transfer large files, stream movies, or conduct advanced operations online without worrying about delays or interruptions in transmission.

Universality in Use

Compatibility is an inseparable part of modern technological solutions. The Vention CONBG cable works perfectly with a variety of devices - from laptops and desktop computers to televisions and cameras. An additional benefit is the ability to connect to TV boxes, which will certainly be appreciated by home entertainment enthusiasts.

Solidity and Durability

When selecting a cable, it is worth paying attention to the material from which it has been made. The CONBG model is made of PVC, a
