Cable HDMI Vention AARBI 3m Angle 90° (black)

Ref: 6922794745407

Vention AARBI 3m HDMI Cable, 90° Angled

The Vention AARBI HDMI cable features a 90° angled connector, making it convenient to connect even in tight spaces. It supports 4K resolution and stands out with 3D technology support. It also allows simultaneous transmission of audio and video. The product is compatible with many popular devices and is exceptionally durable - you don't have to worry about it getting damaged quickly.

Well-Thought-Out Design

Do you have limited space behind your TV? The Vention AARBI cable will come in handy! Its 90° angled connector ensures that nothing protrudes, and you don't have to excessively bend the cable to connect it to the right port. The product is also very durable. The PVC coating protects it from damage, and the gold-plated plugs provide greater durability and resistance to interference. In addition, the cable made of galvanized copper ensures stable signal transmission.

Experience Cinema-Like Quality

The cable supports 4K resolution, ensuring a clear, detail-rich image. Now you won't miss any details while watching movies or playing games! The product also allows for simultaneous audio and video transmission. Its additional advantages include an 18 Gbps bandwidth and support for HDR technology, guaranteeing vivid and vibrant colors.

Wide Compatibility - Many Applications

No need to worry about compatibility issues. With the Vention cable, you can, for example, connect a computer to a projector or a game console to a TV. Various display modes are also available, such as duplication or screen extension. Choose proven solutions and say goodbye to limitations!
