HDMI Cable 4K Vention ALHSF 1m

Enjoy excellent image quality when watching movies, playing games, and more. The Vention HDMI cable supports 4K resolution and is compatible with many popular devices. With it, you can easily connect your computer to a monitor or gaming console to a TV. You also have various display modes available, including screen extension or duplication. The product is highly durable - its gold-plated connectors are resistant to rust and oxidation, the PVC coating protects it from damage, and the aluminum alloy components provide additional protection.

Excellent Image Quality

The cable supports 4K resolution and a refresh rate of 60 Hz. This allows you to enjoy sharp, smooth, and detailed images. It also supports 3D and HDR technology, providing vibrant, beautiful colors. In addition, the 18 Gbps bandwidth ensures fast and stable transmission, and triple shielding reduces electromagnetic interference. The cable also allows simultaneous transmission of audio and video - no need for additional wires.
