

HDMI 8K Cable 3m Vention AAUBI (Black)

HDMI 8K Cable 3m Vention AAUBI (Black)

Ref: 6922794746565

HDMI 8K 3m cable Vention AAUBI (Black)

Enjoy high picture quality. The HDMI cable provides 8K resolution and delivers natural, crisp colors. It also offers Hi-Fi sound and fast signal transmission. In addition, it is compatible with various devices - you will successfully connect it to a projector, TV, etc. In turn, gold-plated connectors and PVC finish translate into product durability.

Feel like you're in a movie theater

The HDMI 2.1 cable provides 8K HD resolution, offering a clear and richly detailed image. What's more, dynamic HDR guarantees crisp colors and natural contrast, so you can fully enjoy your favorite movies. In addition, it offers Hi-Fi level sound and supports eARC for even better sound. In addition, it provides fast and lossless signal transmission, and VRR prevents interference and lag.
