Vention HDMI Cable to HDMI Black 5m

With the Vention VAA-B05 HDMI cable, users can connect devices with HDMI ports, whether it's a laptop, desktop computer, or gaming console. Easily connect them to a monitor, projector, or television.

High-Quality Image

The Vention HDMI cable provides high-quality images, supporting resolutions up to 4K at 60Hz. This allows users to enjoy crystal-clear images while watching movies, playing the latest games, or giving presentations. The option to choose between 4K 60Hz, 4K 30Hz, and 1080P 60Hz allows for customization based on individual needs.

Durable Construction

The nylon braided covering not only gives the cable an elegant appearance but also reinforces its structure. This means that the Vention cable is resistant to mechanical damage, extending its lifespan and ensuring smooth operation for a long time.
