

## M.2 NGFF SSD Enclosure (USB 3.1 Gen 1-C) Vention KPEH0

Ref: 6922794761278

M.2 NGFF SSD Enclosure (USB 3.1 Gen 1-C) Vention KPEH0

Vention KPEH0 M.2 NGFF SSD Drive Enclosure (USB 3.1 Gen 1-C)

The Vention drive enclosure is the ideal solution for storing and transferring data at speeds of up to 5 Gbps. It is compatible with M.2 NGFF drive sizes 2230, 2242, 2260 and 2280 and supports SATA protocol. Made of durable aluminum alloy, it not only provides protection for your drive, but also efficient heat dissipation, resulting in increased performance. A built-in light indicator will let you know the operation status, and an improved chip will take care of better transmission signal and faster performance.

Transfer large files in 3 seconds

Now transferring and copying data is faster than you think. The USB 3.1 Gen. 1-C-equipped chassis delivers an impressive throughput of up to 5 Gbps. What's more, it supports UASP (USB Attached SCSI Protocol), which further enhances the performance and efficiency of data transfer. It will allow you to transfer as much as 1 GB of files in as little as 3 seconds, saving you valuable time and increasing productivity.

No worries about overheating

Robust construction made of aluminum alloy not only impresses with its elegant appearance, but also guarantees the protection of your drive. The material used not only perfectly protects against mechanical damage, but also effectively dissipates heat, which guarantees increased performance of the drive. Moreover, the compact design makes it easy to fit your drive in any bag or backpack!

Compatible with your hardware

You don't have to worry about compatibility issues! The enclosure supports the SATA protocol and a variety of M.2 NGFF drive sizes, including 2230, 2242, 2260 and 2280, so you can freely use different drive models. Compatibility with Windows, Linux, Mac OS and Android gives you the freedom to choose which platform you work on. In addition, plug and play support makes using the enclosure a breeze - just plug it into your computer and you're ready to enjoy fast access to your data.

Manufacturer

Vention

Model

KPEH0

Color

Gray

Interface

USB 3.1 Gen. 1-C

Transmission speed

5Gbps

Material

Aluminum alloy

Compatibility

M.2 NGFF

Supported drive size

2230 / 2242 / 2260 / 2280

Supported protocols

SATA

Compatible systems

Windows, Linux, Mac OS, Android

Dimensions

112.4 x 36.8 mm
