

## USB-C Docking Station to HDMI, 3x USB3.0, RJ45, PD 0.15m Ven

Ref: 6922794741355

USB-C Docking Station to HDMI, 3x USB3.0, RJ45, PD 0.15m Vention CNCHB, gray

Type C docking station for HDMI, 3x USB3.0, RJ45, PD 0.15m Vention CNCHB gray

The Vention CNCHB is a Type-C docking station that is the perfect solution for those who are looking for a powerful and versatile device to expand their equipment. Thanks to the HDMI port with support for 4K\*2K resolution, you can enjoy excellent image quality on the big screen. On top of that, three USB 3.0 ports guarantee super fast data transfer - it takes just 5 seconds to transfer a 1GB movie.

Advanced technology for your convenience

The advanced features of the Vention docking station allow you not only to watch video or play games on your TV, but also to work efficiently. With stable RJ45 network transmission of up to 1000Mbps, online work becomes more efficient. In addition, PD's 87W fast charging ensures that your MacBook is fully charged in just 1.5 hours.

Modern design and reliability

The Vention CNCHB docking station not only impresses with its functionality, but also with its modern design. The gray color, combined with materials such as ABS and aluminum, ensures an aesthetically pleasing appearance and durability for years to come. The compact dimensions (87.9 x 43 x 15 mm) allow the device to be easily carried, while the 0.15-meter cable length ensures convenient use. Offering a full range of features, from USB 3.0 to HDMI to RJ-45 ports, the Vention docking station is a must-have for any modern technology user.
