USB-C Docking Station to HDMI, VGA, USB 3.0, PD 0.15m Ventio   Ref: 6922794754706
USB-C Docking Station to HDMI, VGA, USB 3.0, PD 0.15m Vention TOAHB, gray

USB-C to HDMI, VGA, USB 3.0, PD 0.15m docking station Vention TOAHB gray
Charge, transfer files and enjoy high image quality with the Vention TOAHB. The hub supports PD 100W fast charging protocol and allows you to copy data at 5 Gbps. What's more, it offers 4K video. It is compatible with systems such as Windows, Linux, Android, and iOS. In turn, the built-in chip guarantees reliable operation of the hub.

Fast charging, instant data transfer
Don't waste time charging your devices for a long time. The hub supports the PD 100W fast charging protocol, so you can charge your MacBook in no time. What's more, the USB3.0 port allows you to transfer files at 5 Gbps. You can also use it to connect a flash drive, HDD, mouse or keyboard.

A picture full of detail
The Vention hub provides a clear, crisp and detailed image in 4K, so you can watch movies and play games in better quality. In addition, using the hub, you'll connect your Nintendo Switch to your TV for even more immersion. What's more, using the VGA port you will connect your laptop to the projector, or you can project the same image on 2 different screens, in which case the image resolution is 1080p.
