

### 3.5mm TRS Male to 6.35mm Male Audio Cable 5m Vention BAUHJ G

3.5mm TRS Male to 6.35mm Male Audio Cable 5m Vention BAUHJ Gray

Ref: 6922794756540

Vention Micro Jack 3.5mm to Micro Jack 6.35mm Cable, 5m, Black

The Vention cable, model BAUHJ, combines excellent quality with aesthetics. Made with a durable cotton braid and coated with PVC, it ensures long-lasting protection against mechanical damage and external factors. Its tin-plated copper conductor and aluminum foil shield provide excellent conductivity and insulation, minimizing interference. Gold-plated connectors ensure optimal signal transfer, while the universal micro jack 3.5mm and 6.35mm connectors allow versatile use. Its elegant black color gives it a professional look, making it the perfect choice for any audiophile.

#### Durable Construction

The Vention BAUHJ cable combines functionality and durability. Its cotton braid ensures that the cable is resistant to abrasion, bending, and daily use. Additionally, the PVC outer sheath protects the cable from external factors such as moisture and dirt.

#### Cable Protection

This cable's wire is made of tinned copper, ensuring excellent conductivity and corrosion resistance. The aluminum foil shield is an additional protective barrier that provides effective insulation and minimizes interference. Together, they guarantee long-term use without compromising sound quality.

#### Gold-Plated Connectors

Vention cable connectors are gold-plated, adding not only elegance but also ensuring optimal conductivity and minimizing the risk of signal quality loss. This ensures that the sound is transmitted cleanly and without any interference.

#### Versatile Use

This cable is incredibly versatile and can be connected to various audio devices such as speakers, amplifiers, guitars, or mixing consoles. Its micro jack 3.5mm and micro jack 6.35mm connectors allow a wide range of connections, making it an ideal choice for both professionals and amateurs.
