

3.5mm Audio Cable 0.5m Vention BAWLD Black

3.5mm Audio Cable 0.5m Vention BAWLD Black

Ref: 6922794765955

Vention Audio Cable Micro Jack 3.5mm to Micro Jack 3.5mm 0.5m Blue

The Vention Audio Cable Micro Jack 3.5mm to Micro Jack 3.5mm combines exceptional durability, confirmed by its ability to withstand loads of up to 50kg, and the capability to bend over 6000 times without damage. Thanks to its innovative step design, it can be plugged directly into your phone, even if it's equipped with a thick case, eliminating the need to remove it. Gold-plated connectors ensure crystal-clear sound, while the elegant aluminum finish adds class and style. It's a compact combination of durability, functionality, and design that will meet the expectations of even the most demanding users.

Reinforced Construction for Long-Lasting Use

The Vention Audio Cable Micro Jack 3.5mm to Micro Jack 3.5mm not only looks stylish but also offers exceptional durability. Designed to withstand daily challenges, its strength is confirmed by its ability to withstand loads of up to 50kg without the risk of breaking. Additionally, the cable is designed to endure over 6000 bends, making it not only reliable but also resistant to everyday wear and tear.

User-Friendly for Cases

Thanks to its step design, the Vention cable allows for easy and quick connection to your device, even if the user has a case on it. This is a solution appreciated by anyone who doesn't want to compromise on protecting their phone while using the cable.

Gold-Plated Connectors for Excellent Sound Quality

Sound quality is a crucial factor when it comes to audio cables. Gold-plated connectors not only provide an aesthetic look but, most importantly, ensure excellent signal conductivity. This guarantees pure and flawless sound in any situation.
